

Dear Parents/Guardians,

Thank you to all those parents who volunteered to drive for our field trip today. With **29** students going, we crunched the numbers for a best fit. We'll spread the load, so that any volunteers who didn't get to drive this time get to drive next time, if they're still interested.

We will leave Randerson at 12:00 p.m. and we will leave the Nanaimo recycling exchange at approximately 1:00 p.m. to arrive back at the school by 1:15 pm.

We have listed below the parent drivers and students that will be traveling with them. For safety reasons, please do not move students from one vehicle to another, as this list is left with the office in case of emergency.

Please park on Kenworth Road and meet just outside the entrance as it is very busy inside the recycling centre.

Drivers, please keep this list with you as an attendance check before you leave to and from the NRC.

Thanks again for driving!!

Ms Mockett and Mr Nixon.
